Dear Veteran's organization:

Each year North Bay Operation Hand Up hosts the North Bay Stand Down. The "stand down" is an event designed to assist homeless veterans and their families by providing a variety of social services. This is accomplished by coordinating the efforts of veterans' organizations, service organizations, local businesses, public and private agencies and individuals. The people we assist are those living in Solano, Napa, Sonoma and Yolo counties of California. Approximately 50 people attended our first stand down in 2002 and last year we provided a hand up to 180 individuals.

The best way you can help us is for your organization to provide monetary support and to approach your members for their volunteer support for this year's stand down to be held October 14 - 16, 2008 at the Dixon May Fairgrounds. We have included an envelope for your convenience.

If you have any questions, you can check our website www.northbaystanddown.org for information about prior stand downs, or email me at nbstanddown@sbcglobal.net or call me at (707) 446-3582.

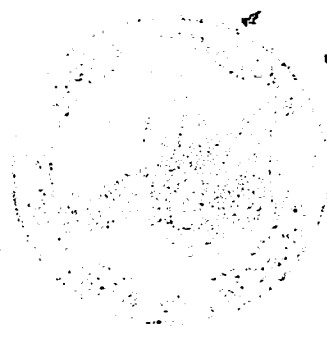

Thank you for your consideration. We look forward to another successful Stand Down.

Sincerely,

A handwritten signature in black ink that reads 'Lynn Jewell'.
